The Path of Righteousness (Psa. 34:14-40)

People who ^{have} lived in rural areas of the country know about paths. ① Paths in the pasture made by line stock - cows - sheep!

② Overgrown areas where animals ~~can~~ travel for water.

③ Our neighbor who described his house as 4 rooms and a path (not bath) to a small "outhouse".

④ G.H.S. - road around the hill - but the path - near way.

Psalm 23:3

"He leadeth me in the paths of righteousness"...

In this Psalm God sees all men in just two categories.

(1) the righteous = Right w/ the God

(2) the ungodly = NOT right with God.

The term "ungodly" or "wicked" is unpalatable to many because they see themselves as "spiritually neutral", take no sides mentality. This spiritual status is unacceptable with God. This Psalm = a contrast between the Righteous and the unrighteous.

To be ~~straight~~ not crossed.
To be right with God =
Right relationship

One trans. of v. 24: "Of they fall it isn't fatal".

Bible Distinctions:

According to John 24, we are kept from falling from our position in Christ or into apostasy "falling away". This term "fall" is a ref. to the hard places in life that are part of the maturity process. (Parents know that falling down is part of a child's learning to walk. Point: The Christian life is no push over, easy street. Lesson: When you fall - it hurts so get up & it need not be a permanent part of life - a learning experience!

The Church With a Special Purpose (1 Thess. 1:1-10)

The "purpose driven church" was the title of a book written by a ^{well known} ~~new~~ Calif. pastor. However, that idea was mentioned by Paul when he wrote a letter to a church in northern Greece in the city of Thessalonica.

It was ~~the~~ first letter to a local church and the recurring theme was the Second Coming of Christ.

Paul stated that the churches purpose

"The Church of the Living Dead" (V.I.) Today: (Turkey) NOT Sardinia!!

"The Church In Sardis

(Rev. 3:1-6) (#5 of 7)

Seven hundred years before this letter was written there was a city of great wealth and splendor name Sardis. Its wealth was legendary from gold reserves - one of the greatest, wealthiest cities in the world... 50 miles east of Ephesus. Located on an inaccessible plateau, 1500 feet above the main road... virtually impossible to reach except thru a narrow passage - easily protected. Truly neglected!
- A church there with a glorious history (past)
- slowing terms of the "use-to-be"!

(2)

It would appear that nothing could end the Splendour of the Church and city until... a king of Persia name Cyrus found a way to reach the city. ~~Cyrus~~ ^{Cyrus} offered a reward to anyone with a plan to enter Sardinia. A soldier was watching - saw a Sardinian soldier drop his ~~the~~ helmet over the cliff - made his way down to retrieve it - a way a crack in the rocks.

That night a group of Persian troops reached the top - completely unguarded. City fell!! Vanished from history for 2000s - repeat the experience

II. The Credentials Jesus Refused To Explain (Matt. 21:23-26)

Remember His baptisms! What right or by what authority do you do these things? He never told them - an incredible situation.
