

## The Intention of God -Exodus 19:1-9

### 1. He wants to bring you to Himself. (vs. 1-4)

- What does this say about our self-effort? Humility?
- How do you react to the concept of being carried on eagles' wings?
- How can your hurts fit into the overall plan of God?

### 2. He declares you His treasure (vs. 5)

- In what ways do we devalue others? Ourselves?
- Where does our ultimate value come from and how is it proven?
- How can you get a better grip on your value to God?

### 3. He desires to use you for His glory (vs. 6-9)

- How does "being different" lead to being a light to others?
- Have you found your completion in Christ?
